No time for meal preparation and sacrificing the pleasure of eating?

Homey Easy Meal is a Hong Kong brand that comprises a range of “Reheat-to-Eat” meal packs and soup packs. Our professional chefs play the role as your home chefs and prepare a variety of home-cooked dishes and soups with no additives. It is time-saving and effortless – simply store the food packs in the freezer and reheat to eat any time!

Homey Easy Meal is especially conceived for small families and people living alone. Most of our products contain two one-person portion food packs so that people dining alone can still have fun enjoying a variety of delicious dishes. Use the resealable outer bag to store the remaining portion and you can help to reduce food waste easily and hygienically.
